

CUVÉE TENTATIONS RED

Cuvée Tentations Red

Côtes de Provence / Protected designation of origin

In our Tentations line, we mainly buy wines coming from terroirs with the designation Côtes de Provence.

Our merchant-winemaker-cultivator status leads us to buy grapes, musts (grape juice), and finished wines.

For the Tentations red cuvées, we buy finished wine after having tasted it.

GRAPE VARIETY

A blend of Syrah, Grenache, and Tibouren (50%, 30%, and 20%)

TASTING

The Syrah, the Grenache and the Tibouren give this red wine a beautifully dark color with mellow tannins and a beautiful body which will develop over the years. Thick, sweet and complex on the finish, and marked by aromas of spices and black fruits such as blackcurrant and blackberries.

Delicious with Lapin chasseur (rabbit with mushrooms).
